PRESS RELEASE

Depozitarul Central will distribute the amounts of money related to CUPON 7 for the bonds issued by BITTNET SYSTEMS S.A.

Depozitarul Central informs investors that, as of 03/26/2025, will distribute the money for CUPON 7 of the bonds issued by BITTNET SYSTEMS S.A. (symbol BNET27A). The issuer will pay to the bondholders the amount of money for CUPON 7 using the national service launched by Depozitarul Central. The value of the interest for each bond is 2.50 RON.

The bondholders are those registered in the issuer's bond register on 03/19/2025.

Bondholders who are clients of a Participant to the Clearing-Settlement and Registry System of Depozitarul Central may collect the due amount through this participant.

For bondholders who do not have an account opened with a RoClear system participant, the payment is made by bank transfer, based on the requests submitted by them.

Since 2015, following the amendment of the regulatory framework for the distribution of dividends and other amounts owed to the holders of securities, dividends distribution is made through Depozitarul Central and the participants to the clearing settlement and registry system.
